SYRINGA VULGARIS 'YANKEE DOODLE' *YANKEE DOODLE LILAC*

COLOR: Purple Shades
HEIGHT: 8-10 ft
SPREAD: 8-10 ft
ZONE: 3-8

- Deepest, darkest purple of any other lilac
- Profuse bloomer
- Large, upright, single flowered bloom cones starting early May
- Pleasant lilac scent

Impress your friends and neighbors with this great selection, boasting the deepest, darkest purple of any other lilac! This profuse blooming beauty loads up with flower buds and bursts into color in early May, nearly covering it with very large, upright, single flowered bloom cones that fill the air with that seductive lilac scent.
