

Listed below are the many fall sports leagues Plymouth will be offering this year. The following applies to all leagues.

1. Registration begins July 10 for all teams except 5 x 5 Officiated Basketball, which begins Sept 5. We will accept registrations until **leagues are full or schedules are made** (limited space in leagues).
2. Each league play different number of weeks or games (see below).
3. Game times rotate between approx. 6, 7, 8, & 9 p.m. (based on program/facility/night availability).
4. Unofficial leagues: Team managers control the game and settle any disagreements. We supply a site supervisor (timekeeper). The timekeeper does not settle disputes.

5. Officiated leagues: Referees cover the game, which is generally at a higher level of play than the unofficial leagues.
6. The winner in each division will receive a set of league champ shirts.
7. In the leagues where we have a majority of returning teams, we place you in divisions based on your previous performance. New teams will go into the lowest division unless they request to play up.
8. To register, you must have your full league fee (no partial payments accepted). Please call (763) 509-5200 to request a roster form.

**ALSO HAVE FALL MEN'S & CO-REC SOFTBALL LEAGUES STARTING IN MID - AUGUST**

| League                     | Day       | Site                   | # of Teams | # of Weeks | League Starts | League Fee |
