INTERVIEW TIPS

The key to a successful interview starts and ends with YOU!

Interviews can be hard and nerve racking for anyone. However, if you follow a few simple rules and prepare yourself beforehand, you will have as much success as anyone else in interviews.

Appropriate Dress Code

This is one aspect that is of great importance when attending an interview, as first impressions always count! Appropriate dress for the teenager is the same as any other person attending an interview – neat, tidy and well-groomed.

Some helpful tips are:

- Dress for success, in your most appropriate, professional outfit.
- Wear sensible shoes with moderate heels.
- Avoid extreme hairstyles.
- Keep make-up and perfume to a minimum.
- Avoid dangly or big earrings.
- Leave your hat or baseball cap at home.

Prepare Yourself for the Interview

Prepare well beforehand and know what you are going to say and how to conduct yourself in a professional manner. This can be achieved by practicing in front of a mirror or by role playing with friends or family members. Look on the internet for typical questions that interviewers ask and practice how you would answer them.

The more information you can prepare beforehand, the better prepared you will be during the interview. Take the time gather and go over any information that will be helpful to you.

Attending the Interview

Walk into the room showing a relaxed and confident manner, shake the hand of the interviewer and don't sit before asked. Remember not to slouch in your chair, swear or use slang words and always be polite.

After the Interview

A couple of days after the interview be sure to write a thank you letter to the interviewer, thanking them for giving you the interview. In this note, you could also reiterate any particular skills you have for the position and how you could make a positive addition to the group.

The integrity of the volunteer program requires that individuals will only be placed in volunteer positions where there is the best opportunity for success. This means that volunteer candidates need to possess the skills and personality that are compatible with each position. With these components in place, the volunteer experience will enrich the volunteer, the staff and the City as a whole.

You must attend the training session on Wednesday, June 13, 10am to 11:30am. Additional training may be required depending on position. Questions? Call Jackie Maas, Volunteer Coordinator at 763-509-5230.
