SUBJECT: NEIGHBORHOOD MEETING
2020 STREET RECONSTRUCTION PROJECT
CITY PROJECT NO. ST209001

Dear Property Owner:

Per the previous letter mailed in August, the streets in your neighborhood have been identified in the City's Capital Improvement Program as a candidate for reconstruction. An informational meeting for the project has been scheduled on **Thursday, September 26th, from 7 to 8 pm** at the **Black Box Theatre, Plymouth Creek Center, 14800 34th Ave.** City staff and the City's consultant will present general information about the project and the reconstruction process. No formal action on the project will be taken at this informational meeting.

The City's consultant, WSB & Associates is currently preparing the construction plans for the project. An open house will be held later this winter once the draft plans are completed where residents can view impacts to their property. A notification will be sent in the mail in advance of the open house.
