WELCOME!

We are excited to have your child registered in our playground program! Staff will be busy training in preparation for starting the week of June 14th.

Enclosed are the guidelines for our program. We plan on providing your child with a fun and exciting summer program with safety being our number one concern. Please take some time to familiarize yourself with our guidelines so there is a common understanding of the Plymouth Playground Programs.

We look forward to having your child in our program this summer!

Notifications

>> We utilize a notification system called Remind to send out reminders via text or email. The instructions on how to sign up for the program are attached. If you have any questions, please call our office.

Themes

>> Our preschool playground programs are based on a specific theme in which we base many of our games, activities, and crafts on for the day/week. Children are welcome to dress for the theme if they choose.

SAFETY

Our main goal is to provide a safe and fun program for your child this summer. Please read and follow the guidelines so that we can provide you and your child the best possible experience this summer.

- > > **WEATHER:** Programs will be cancelled for SEVERE WEATHER OR HEAVY RAINS. Do not send your child to the park if there is a severe weather warning for the area. Please call the Recreation Weather Line at 763-509-5205 to confirm a program cancellation. We will also send out a notification through the Remind system. If rain/severe weather effects the program while in progress parents may be contacted to pick up early.
- > > **DROP OFF/PICK UP:** Please drop off and pick up your child on time. We are only able to supervise your child during program times (Play Leaders move between different programs and sites throughout the day). **You must sign in and sign out your child each day.** If someone other than the parent is picking the child up, please fill out a pick up authorization form (included in this packet).
- > > **LEAVING EARLY:** Please notify us if your child needs to leave the program early, you must provide written notification to the Playground Leaders at the start of the program that day. Children will not be allowed to leave the program without permission from parent.
- > > **ILLNESS/INJURY:** If your child is seriously ill or injured, both 911/Emergency Personnel and you will be contacted immediately. For any non-life threatening illnesses or injuries, you will be contacted first to determine what course of action you would like to take (e.g.: You will pick up the child). If we cannot reach you or your designated contact person, 911/Emergency Personnel may be contacted.
- > > **SNACKS:** Participants should bring a snack each day. Please try not to send any snacks with your child that contain nuts or nut butters (e.g.: peanut butter). We do have children in our program that have severe nut allergies.
- > > **WATER:** Please remember to send a full water bottle with your child each day. Even on the cool days we work up a sweat with all of our play and need to stay hydrated.
- > > **BATHROOM BREAK:** Playground staff will escort kids as a group to/from the restroom. Your child is encouraged to ask staff if needed outside of group breaks.
