Weigela florida 'Tango'

SKU #2115

[Be the first to review this product](#)

Greenish-purple leaves above and dark green below provide a beautiful color combination with the prolific rosy-red flowers. This compact grower fits nicely into mixed shrub borders and at the back of perennial plantings and even works well as a low hedge. Deciduous. Full sun. Moderate growth 2 to 3 feet tall and wide.

USDA Zone  4 - 8
