If you are reading this, it means you are interested in becoming a vendor at Bark in the Park. If you have participated in the past, welcome back! If you are new to the event, it is so good to meet you. Attached is the Vendor Application for 2021.

This year's event will include photo booths, contests, and activities (for both humans and pets). The city provides each vendor with a table and chair. Vendors are responsible for all booth set up and operation (tent, table cloth, banner, giveaways, door prize, etc.). We look forward to showcasing a variety of vendors and non-profit organizations specializing in various pet services.

COVID-19 Information

Staff will track all mandates in place at the time of the event. Mandates and any restrictions to public events will be implemented, and a COVID-19 Preparedness Plan will be utilized.

Considerations related to COVID-19

- ☐ Traffic flow

We are confident we can run a safe and successful Bark in the Park – we hope to see you there!
