Trees	Scientific Name	Type	Sale Size	Mature Size	Native	Wildlife Value	Description	Shape	Light Needs	Resident Price	Non-Resident Price
Boulevard Linden	<i>Tilia americana (Boulevard)</i>	Deciduous	LB 6'	60' x 30'	Yes	Moderate	A low maintenance tree with minor insect or disease concerns. Fragrant yellow flowers bloom in summer, which attract pollinators. Leaves turn yellow in autumn.	Upright Pyramidal	Sun - Shade	\$35.00	\$40.00
Chinkapin Oak	<i>Quercus muhlenbergii</i>	Deciduous	5'	40' x 40'	Yes	High	Glistening dark green leaves in the summer that turn yellow or brown in autumn. Acorns are a food source for some birds and small mammals, adding to its high wildlife value.	Upright Rounded	Sun	\$35.00	\$40.00
Hackberry	<i>Celtis occidentalis</i>	Deciduous	LB 6'	60' x 40'	Yes	High	This is a strudy, low maintenance tree with minor disease concerns. This tree produces small dark red berries that attract birds and small mammals, and can be consumed by humans. Bright green leaves turn yellow in autumn.	Upright Rounded	Sun - Partial Shade	\$35.00	\$40.00
Ironwood	<i>Ostrya virginiana</i>	Deciduous	4'	35' x 30'	No	Low	This is a low maintenance, medium sized tree with minor insect and disease concerns. The wood of this tree is very hard and dense, and the leaves turn yellow in the fall. Produces interesting, hop-like fruit in the summer.	Upright Conical	Partial Sun - Shade	\$35.00	\$40.00
Northern Catalpa	<i>Catalpa speciosa</i>	Deciduous	WH 8'	40'-75' x 25'-50'	Yes	High	Large heart shaped leaves that can grow 12 inches in length. This tree has white flowers and brown capsule fruit. Fairly low maintenance tree with minor insect and disease concerns.	Upright Rounded	Sun	\$45.00	\$50.00
State Street Miyabe's Maple	<i>Acer miyabei 'Morton'</i>	Deciduous	1yrLB 6'	40' x 30'	No	Moderate	An excellent shade tree with dark green leaves that turn yellow in autumn. It is a low maintenance maple that is fairly heat and drought tolerant. Attracts insects and birds.	Upright Rounded	Sun - Partial Shade	\$45.00	\$50.00
Sugar Tyme Crabapple	<i>Malus (Sutyzam)</i>	Deciduous	6' CVI	15' x 15'	Yes	Low	Fragrant flowers start as pink buds, but turn into pure white flowers in mid spring. Produces abunant red fruit that remain on the tree almost all year long. Attracts some insects and birds. It is low maintenance with minor disease concerns.	Upright Rounded	Sun	\$35.00	\$40.00
Evergreens											
Korean Fir	<i>Abies koreana</i>	Conifer	12" - 18"	25' x 15'	No	Low	This fir has relatively short needles that remain bluish-green all year. It produces purple cones that remain on the tree from late summer to late winter. Does well in city environment as well as more rural areas. It is not susceptible to pests or diseases.	Pyramidal Upright	Sun	\$30.00	\$35.00
Meyer Spruce	<i>Picea meyer</i>	Conifer	12" - 18"	40' x 30'	No	Low	This spruce has relatively, dense short needles that remain bluish-green all year. Does well in city environment. It is disease resistant and does not attract deer or other potential pests.	Pyramidal Upright	Sun	\$30.00	\$35.00
Shrubs											
Brilliant Red Chokeberry	<i>Aronia arbutifolia 'Brilliantissima'</i>	Shrub	18"	5' x 5'	Yes	Moderate	This shrub produces beautiful white flowers with bright red anthers in mid spring and an abundance of red berries from early fall to late winter. Leaves are green but turn red in autumn. Attract butterflies and birds. The berries can be used to make jam. This shrub does require some maintenance. Generally pest and disease resistant.	Wide Spreading	Sun	\$10.00	\$12.00
Double Play Doozie Spirea	<i>Spirea x 'NCSX2' (PP30,953)</i>	Shrub	9"	3' x 3'	No	Low	This is a sterile shrub which results in more energy going towards blooming. This is a reblooming shrub with pink-red flowers that are present from early summer through frost.	Mounded	Sun - Partial Shade	\$10.00	\$12.00
Felix Supreme Peony	<i>Paeonia 'Felix Supreme'</i>	Shrub	3-5 eye	3' x 3'	No	Low	Fragrant red or pink flowers emerge in mid to late spring and grow about 6.5" in diameter. The flowers are often present for 6 weeks. This shrub is deer and rabbit resistant.	Rounded	Sun - Partial Shade	\$10.00	\$12.00
High Voltage Easy Elegance Rose	<i>Rosa 'Baiaage'</i>	Shrub	OR #1½	5' x 4'	No	Low	This shrub displays clusters of double yellow blossoms held up by strong stems. Flowers rebloom all summer. This plant is disease resistant and fairly easy to maintain. Most cold hardy easy elegance rose variety.	Upright Rounded	Sun	\$10.00	\$12.00
Lotus Moon Pearlbush	<i>Exochorda X Macrantha 'Bailmoon'</i>	Shrub	24"	4' x 4'	No	Low	White flowers bloom in April or May. Deer resistant and drought tolerant. Attracts pollinators.	Upright Rounded	Sun	\$10.00	\$12.00
Summer Crush Hydrangea	<i>Hydrangea macrophylla 'bailmacfive'</i>	Shrub	3-4 eyes	3' x 3'	No	Low	This shrub produces deep red or purple flowers in late spring and reblooms again in early fall. Leaves turn burgandy or purple in the fall. It will require occasional maintenance that should be done in late winter or early spring. Attracts pollinators.	Upright Rounded	Sun - Partial Shade	\$10.00	\$12.00
Fruits											
Fireside Apple	<i>Malus 'Fireside'</i>	Fruit	S-M7 9/16" CVI	15' x 15'	Yes	Moderate	This is a small tree that produces white flowers with pink overtones. Leaves turn yellow in autumn. The apples are red with yellow streaks and are sweet, juicy, and crisp. The apples can be used for eating, cooking, preserves, or canning. The apples are ready to pick in early to mid autumn. Since this is an eating apple, it is high maintenance and will need a second pollinator. Developed in MN.	Upright Spreading	Sun	\$20.00	\$25.00
Jostaberry	<i>Ribes nidigrolaria</i>	Fruit	2yr #1	6' x 4'	No	Moderate	This is a hybrid berry bush that was developed by crossing black currant, North American black gooseberry, and the European gooseberry. This variety is disease resistant and thornless. The berries are red-black, round, and sweet. Berries are ready to harvest in mid summer. Berries are often used in pies, tarts, and jams.	Upright Spreading	Sun	\$10.00	\$12.00
North Country Blueberry	<i>Vaccinium 'Northcountry'</i>	Fruit	1yr #1	2' x 3'	No	Moderate	Small shrub that produces white flowers in mid-spring and blueberries that are ready to pick mid-summer. The berries are sweet and juicy and are often used for fresh eating, baking, and preserves. Leaves turn red in autumnn.	Mounded	Sun - Partial Shade	\$10.00	\$12.00
Sweet Cherry Pie Cherry	<i>Prunus "Eubank"</i>	Fruit	11/16" Std	15' x 12'	No	High	A small, ornamamental tree that is popular with pollinators. Grows fragrant, white flowers. This tree is also resiliant to the cold that comes with a Minnesota winter. Produces a fruit that is sweeter than a traditonal cherry, and can be eaten fresh or utilized in other ways such as jams or pie fillings. This tree is self fertile, so it does not need to be near other cherry trees.	Upright Rounded	Sun	\$30.00	\$35.00
