INCLUSION SERVICES

In compliance with the Americans with Disabilities Act of 1990, reasonable accommodations can be provided upon request to allow individuals with a disability to participate in Plymouth Parks & Recreation services, programs and activities.

Plymouth Parks & Recreation offers inclusion services. If you have questions regarding special needs and our inclusion services, please call 763-509-5200.

INCLUSION POLICY

Plymouth Parks & Recreation prides itself on providing quality programs and activities for people of all abilities. To create the best recreation experience for people with and without disabilities, we require a minimum of two weeks advance notice before the start of a recreation program or activity.

No refund will be issued due to the lack of an inclusion aide if you register less than one week from the start of the program.

To ensure that each participant has the best possible experience, follow these steps:

- » Complete and return the Participant Information Form.

Yin Yoga involves relaxing the body right up to ones' healthy edge—wherever your edge may be. We breathe "into" the muscles as we engage them, which allows them to stretch. SKATING

Plymouth Skate School

offers a fun and safe learning environment for students of all ages and abilities to learn how to skate.

GENERAL INFORMATION

- Beginning levels are required to wear helmets.
- Skaters MUST be at least 4 years old by the start of the class – no exceptions will be made.
- Rental skates – available for \$5/lesson.
- Parents are not allowed on the ice during class time.
- For safety reasons, no shoes allowed on the ice.

PROPER ATTIRE

Skaters will benefit more from a lesson with proper skates. We prefer boots be of leather rather than vinyl and they should have strong ankle support. Skates should not crease or buckle when worn, and should fit to the foot size and not have excess 'room to grow'. Blades should be of high tempered steel and properly sharpened. Double runner blades are NOT allowed.

It is important that all skaters are warm and comfortable while skating. We suggest dressing in layers and request all skaters to wear mittens or gloves.
