

Easy Elegance® Como Park Rose (Rosa 'Balark')

- Bloom/Foliage: Medium red
 - Height: 30"
 - Spread/Width:
 - Zone: 4
 - Sun Exposure:
 - Description:
-

Since it's so easy to grow, Como Park is ideal for beginning gardeners. This beautiful, bright shrub rose with striking and plentiful medium-red blossoms was named after an historic park in St. Paul, MN. It's compact and round shape is covered top to bottom with beautiful large, double blossoms. The dark-green, disease free foliage features unique touches of red. Hardy and gorgeous, Como Park is a perfect accent for any garden. Own root.
