## WHEN TO WORK SCHEDULING APP

The City of Plymouth uses the **When to Work** app to schedule front line staff members. It is a free app that is downloaded to a cell phone or other device. **Summer Teen Volunteers assisting with most summer programs including playgrounds, aquatics, and others will be scheduled using When to Work.** The app can be used to print off weekly or monthly schedules and to communicate if the volunteer is unable to work a shift. Volunteers can also receive updates from their staff supervisors. Summer Teen Volunteers will be notified if they should download the app for their program.

# Interview Tips

---

The key to a successful interview starts and ends with YOU!

Interviews can be hard and nerve racking for anyone. However, if you follow a few simple rules and prepare yourself beforehand, you will have as much success as anyone else in interviews.

## **APPROPRIATE DRESS CODE**

This is one aspect that is of great importance when attending an interview, as first impressions always count! Appropriate dress for the teenager is the same as any other person attending an interview – neat, tidy and well-groomed.

Some helpful tips are:

- Dress for success, in your most appropriate, professional outfit.
- Wear sensible shoes with moderate heels.
- Avoid extreme hairstyles.
- Keep make-up and perfume to a minimum.
- Avoid dangly or big earrings.
- Leave your hat or baseball cap at home.

## **PREPARE YOURSELF FOR THE INTERVIEW**

Prepare well beforehand and know what you are going to say and how to conduct yourself in a professional manner. This can be achieved by practicing in front of a mirror or by role playing with friends or family members. Look on the internet for typical questions that interviewers ask and practice how you would answer them.

The more information you can prepare beforehand, the better prepared you will be during the interview. Take the time gather and go over any information that will be helpful to you.

## **ATTENDING THE INTERVIEW**

Walk into the room showing a relaxed and confident manner, shake the hand of the interviewer and don't sit before asked. Remember not to slouch in your chair, swear or use slang words and always be polite.

## **AFTER THE INTERVIEW**

A couple of days after the interview be sure to write a thank you letter to the interviewer, thanking them for giving you the interview. In this note, you could also reiterate any particular skills you have for the position and how you could make a positive addition to the group.

## Disclosure Regarding Background Checks

The City of Plymouth may conduct a background check on you to determine your eligibility for employment purposes (screening of applicants, employees, volunteers, or contractors), or it may obtain information about you from a third party consumer reporting agency for employment purposes. Thus, you may be the subject of a “consumer report” which may contain information regarding your credit history (if relevant to the position for which you are applying), criminal history, social security verification, motor vehicle records (“driving records”), verification of your education or employment history, or other background data.

You have the right, upon written request made within a reasonable time frame, to know whether a consumer report has been conducted on you and to request a copy of the report. These reports will be conducted by the City of Plymouth or its partners (e.g., Verified Credentials).

In connection with your employment or your application for employment, the City of Plymouth may also generate an investigative consumer report on you or it may request an investigative consumer report about you from a third party consumer reporting agency. An “investigative consumer report” is a background report that includes information from personal interviews. The most common form of an investigative consumer report in connection with employment is a reference check through personal interviews with sources such as your former employers and associates, and other information sources. The investigative consumer report may contain information concerning your character, general reputation, personal characteristics, mode of living, or credit standing. You may request more information about the nature and scope of an investigative consumer report by contacting Human Resources.

The scope of this disclosure is all-encompassing and allows the City of Plymouth to obtain from any outside organization all manner of consumer reports or investigative consumer reports during the application process and throughout the course of your employment.
