Special Needs

Please note any special needs (ex. ADHD, asthma, hearing impaired, medication, etc.) when registering and inclusion needs.

Personal Ski and Snowboard Equipment

Ski or snowboard bags are required to protect your equipment during transit. **Boldly label & ID your bag.** Many participants have black ski bags, so add colored tape or ribbon to help identify your bag. The Ski & Snowboard club is not responsible for lost, damaged, or stolen items.

Equipment Storage at School: **City of Plymouth Office near Gym 9**

A locked storage area for student equipment will be available for students. Equipment must be dropped off and stored **before the start of the school day on Friday.**

Equipment Storage at Ski Area

Students are responsible for their equipment. All locations have cubbies and lockers to store their items. A small fee applies to use a locker. Students will need to bring money for this usage, or they can leave their personal items on the bus which will be locked.

Emergency Procedures

When registering, please indicate a home, work and cell number for parent/guardian and an alternate emergency contact other than the parent. In the event of an injury, the area ski patrol will provide immediate first aid and the ski area's emergency procedures will be followed. Staff/Ski patrol will contact parent/emergency contact. Parent is responsible for student once transported by emergency management. If the injury is not severe, a parent/guardian may pick up the child at the ski area prior to bus departure, or the student may be transported on the bus.

Volunteer Chaperones

Adult volunteer chaperones are needed! Enjoy the slopes or stay warm in the chalet. Chaperones receive free lift ticket and rental. If interested, complete a volunteer [application](#)

WAIVER: Completion of the waiver needs to occur once per season for rentals & lift tickets and is valid for the season at all ski hills.

WAYZATA HIGH SCHOOL SKI & SNOW BOARD CLUB

At the Ski Area

- Upon arrival, announcements will be made by trip advisors and staff - ask questions if you did not hear the announcements.
- It is the student's responsibility to know when the bus leaves the ski area - a time for loading will always be **announced**. Individuals who return late from the slopes may have their enrollment suspended for a trip. Chronic tardiness will lead to membership termination.
- Memorize the bus loading time and bus number.
- Students will remain on the bus while Staff pick up lift tickets and rental forms, and unload equipment. Lift tickets will be distributed on the bus.
- If you bring your own snowboard, leashes are mandatory at the ski areas to ride the lift.
- If student is renting equipment, pick up rental form from chaperone and follow to rental pick up area.

Bus Departure

Students meet at the school storage area following school dismissal to grab equipment. Bus will load and unload at the **Athletic Entrance**. The busses will load and depart as soon as the school route buses leave.

Bus Return

Students must ride the bus home. The bus will return at the designated pick-up locations. A late pick-up fee of \$10 will be assessed, plus an additional \$5 for every 15 minutes you are late for pick-up. Program registration will be denied after the 2nd late pick-up. *The late fee must be paid before participation in the next trip.*

The building will be locked when we return, so transportation must be pre-arranged. For their own safety, teens are not allowed to walk home after trips.
