- At least 3 courts will be available during open pickleball/badminton hours. Loaner paddles/rackets and pickleballs/shuttlecocks will be provided.
- When all courts are in use, players entering the court should place their paddles/rackets in the first open plastic bin to reserve the next open court.
- When all courts are full and players are waiting:
  - **All games must be doubles (4 players per net)**
  - **For pickleball – games are played to 11, win by 2**
  - **For badminton – rally scoring to 21**
  - **Once a game is finished, those players must exit the court and place their paddles/rackets in the next open plastic bin to re-enter the rotation**
  - **Players in the “next up” bin will place their empty bin at the back of the line and take the recently vacated court**
  - **Players MUST rotate after each game**
- This is community play, meaning it is NOT a private court rental. When players are waiting, you can play one game and then exit the court and re-enter the rotation. If you don't share the space, you will be asked to leave.
