# Skating

## Plymouth Skate School

offers a fun and safe learning environment for students of all ages and abilities to learn how to skate.

### GENERAL INFORMATION

- Beginning levels are required to wear helmets.
- Skaters **MUST** be at least 4 years old by the start of the class – no exceptions will be made.
- Rental skates – available for \$5/lesson.
- Parents are not allowed on the ice during class time.
- For safety reasons, no shoes allowed on the ice.

### PROPER ATTIRE

Skaters will benefit more from a lesson with proper skates. We prefer boots be of leather rather than vinyl and they should have strong ankle support. Skates should not crease or buckle when worn, and should fit to the foot size and not have excess 'room to grow'. Blades should be of high tempered steel and properly sharpened. Double runner blades are NOT allowed.

It is important that all skaters are warm and comfortable while skating. We suggest dressing in layers and request all skaters to wear mittens or gloves.

#### THEATER WORKSHOPS WITH DEBORAH SCHEE

These theatrical workshops will use games and activities to help students learn the basics of acting such as; using your voice on stage, building a character and stage positions. Using props, music and costume pieces, we'll present a final production for family and friends on the final day of class. Please wear closed-toe shoes and dress comfortably. Each one of our theater classes represents a "cast" of students. We rely on each and every cast member to be in class each day, so we can create our final performance. Thank you in advance for only registering your child if they can be with us every day. Instr: Deborah Schee.
