## Outdoor Maintenance – City Utilities Request for Quote

### I. Overview

Plymouth Public Works is seeking quotes from companies with experience in maintaining turfgrass and landscaped areas. The selected company will work with the assistance and direction of Plymouth Facilities staff to maintain turfgrass and landscaped areas of City-owned Utilities sites with a high degree of quality and to assure the aesthetic appearance of City-owned Utilities sites for a period of time. All services must meet the criteria as detailed in the scope of services.

This Request for Quote (RFQ) does not obligate Plymouth Public Works to contract the services. The City reserves the right to cancel the solicitation if such action is considered to be in its best interest.

### II. Quote Information

#### A. Schedule

Plymouth Public Works schedule for review of the RFQ's and final selection is as follows:

Date	Event
February 7, 2025	Advertising begins
February 28, 2025	RFQ Submittal Due
March 4, 2025	Review Panel Decision

#### B. Submission Requirements

Any and all responses to this RFQ must include the following RFQ elements. All signatures must be signed by an official who is legally authorized to bind the organization.

1. A completed Company Information form.
2. A completed City Utilities Outdoor Maintenance Quote Sheet
3. A completed and signed Certificate of Quote.
4. A completed and signed Responsible Quote Evaluation.
5. A completed and signed Affidavit of Non-Collusion.

#### C. Selection Criteria

1. *Evaluation Criteria and Scoring Process* – All quotes received will be reviewed by a Review Panel as determined by the Plymouth Public Works Division. Each evaluation criteria have been given points relative to its value as a whole. The criteria and each associated points are as follows:

Criteria	Points
Organization, Experience, Expertise, References & Equipment	25
Cost	75
<b>Total Points</b>	<b>100</b>

2. *Selection* – The quote considered most responsive to this RFQ may be requested to attend at least one interview with Plymouth Public Works Division. Plymouth Public Works may determine that a selection can be made without conducting interviews. Contract(s) may be cancelled for cause by

either party by providing 30 days written notice. All reasonable efforts will be made by both parties to resolve issues and disagreements prior to cancellation.

**D. Questions**

Prospective contractors who have any questions regarding this RFQ must submit questions by e-mail or phone to: Chris Krekelberg, Facilities Supervisor, [ckrekelberg@plymouthmn.gov](mailto:ckrekelberg@plymouthmn.gov) or (763) 509-5365

**E. Submittals**

All quotes must be delivered via email to Chris Krekelberg, [ckrekelberg@plymouthmn.gov](mailto:ckrekelberg@plymouthmn.gov)

**All quotes must be sent no later than Noon on Friday, February 28, 2025, CST**, as indicated by the time posted in the schedule. Late quotes will not be considered. Quotes should be sent from the responder's e-mail address. Each quote must be signed by an authorized member of the firm.

**III. Terms & Conditions**

If a contract is awarded, the selected Contractor will be required to adhere to a set of general terms and conditions that will become a part of any formal agreement. These conditions are general principles that apply to all Contractors of service to Plymouth Public Works.

**A. Reporting of Contractor**

1. The Contractor is to report to Chris Krekelberg, Facilities Supervisor, Plymouth Public Works and will cooperate and confer with him as necessary to insure satisfactory work progress.
2. Plymouth Public Works will review and inspect the Contractor's activities during the term of this contract.

**B. Personnel**

1. The Contractor will provide the required service personally and will not subcontract or assign services without Plymouth Public Works written approval.
2. The Contractor will not hire any City employee for any of the required services without the City's written approval.
3. The parties agree that the Contractor is neither an employee nor an agent of the City for any purpose.

**C. Indemnification**

The Contractor will protect, defend and indemnify the City of Plymouth, its officers, agents, servants, volunteers and employees against any and all liabilities, claims, liens, fines, demands and costs, including legal fees, of whatsoever kind and nature which may result in injury or death to any persons, including the Contractor's own employees, and for loss or damage to any property, including property owned or in the care, custody or control of the City of Plymouth in connection with or in any way incident to or arising out of the occupancy, use, service, operations, performance or non-performance of work in connection with this contract resulting in whole or in part from negligent acts or omissions of Contractor, any sub-contractor or any employee, agent or representative of the Contractor or any sub-contractor.

**D. Non-Collusion**

Submittal and signature of a quote swears that the document is genuine and not a sham or collusive, and not made in the interest of any person not named, and that the Contractor has not induced or solicited others to submit a sham offer or to refrain from quoting.

#### **E. Responsible Quoter**

The City will review the qualifications and experience of quoters for construction, alteration, repair, or maintenance of real or personal property after quotes are opened and before a contract is awarded, to determine if the quoter is “responsible.” A “responsible” quoter is a bidder qualified to do the work. This will be determined by assessing the quoter’s skill, resources, experience, successful performance of similar contracts (on time and on budget), and all other matters bearing upon the likelihood that the contract will be successfully completed.

#### **F. Insurance Requirements**

The insurance carrier for City of Plymouth requires evidence of coverage, certificates of insurance, from subcontractors working on city premises prior to the commencement of work. Coverage and limits required are as follows:

**General Liability** including Completed Operations coverage with minimum limits of:

- \$1,000,000 Each Occurrence Bodily Injury and Property Damage
- \$2,000,000 General Aggregate
- \$2,000,000 Products / Completed Operations Aggregate
- \$1,000,000 Personal Injury and Advertising Injury

The City of Plymouth should be named as an “Additional Insured” on a primary basis, with a Waiver of Subrogation in favor of the City of Plymouth, on the General Liability and Automobile Liability as related to the work performed by the subcontractor on behalf of The City of Plymouth.

**Automobile Liability** coverage for any Auto, Hired and Non-Owned Autos:

- \$1,000,000 Limit

**Workers Compensation and Employers Liability:**

- Statutory Limits on Workers Compensation
- Employer’s Liability
  - \$500,000 each Accident
  - \$500,000 Disease – each employee
  - \$500,000 Disease – policy limit

Workers Compensation includes a Waiver of Subrogation in favor of the City of Plymouth.

#### **G. Compliance with Laws & Regulations**

In addition to non-discrimination and affirmative action compliance requirements listed below, the Contractor(s) ultimately awarded a contract shall comply with federal, state and local laws, including, but not limited to, all applicable OSHA requirements and the Americans Disabilities Act. This requirement includes, but is not limited to, protection of public and employee safety and health; environmental protection; waste reduction and recycling; the protection of natural resources; permits; fees; taxes; and similar subjects.

#### **H. Licenses**

The Contractor shall obtain and maintain all licenses, permits and/or certificates both permanent and temporary throughout the period of the agreement. The Contractor and staff shall be licensed and authorized to do this specific type of work within the State of Minnesota.

**I. Interest**

The Contractor promises that it has no interest which would conflict with the performance of services required by this contract. The Contractor also promises that, in the performance of this contract, no officer, agency, employee of the City of Plymouth or member of its governing bodies, may participate in any decision relating to this contract which affects his/her personal interest or interest of any corporation, partnership or association in which he/she is directly or indirectly interested, or has any personal or pecuniary interest.

**J. Equal Opportunity Employment**

The City of Plymouth does not discriminate on the basis of race, color, creed, national origin, sex, religion, age, disability, affection preference, marital status, or status with regard to public assistance in employment. The City of Plymouth is an equal opportunity employer.

**K. Ownership of Documents**

All documents developed as a result of this contract will be freely available to the public and shall become the property of the City. None may be copyrighted by the Contractor. During the performance of the services, the Contractor will be responsible for any loss of or damage to the documents while they are in its possession and must restore the loss or damage at its expense. Any use of the information and results of this contract by the Contractor must reference the project sponsorship by the City. Any publication of the information or results must be co-authored by the City.

**L. Data Practices**

All data created, collected, received, maintained or disseminated for any purpose in the course of this Contract is governed by the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, any other applicable state statute, or any state rules adopted to implement the act, as well as federal regulations on data privacy.

**M. Assigns & Successors**

This contract is binding on the City and the Contractor, their successors and assigns. Neither the City nor the Contractor will assign or transfer its interest in this Contract without the written consent of the other.

**N. Termination of Contract**

Termination without cause. Either party may terminate the contract by giving thirty (30) days written notice to the other party.

**O. Addendum**

1. Any changes to the specifications will be issued as a written addendum. No oral statements, explanations or commitments by whosoever shall be of any effect.
2. The contract may be amended from time to time through written agreement by both parties.

**IV. Scope of Services**

The overall scope of services sought is professional outdoor maintenance services. Lawn and Landscape Maintenance will be for City Utilities division with 15 sites. The Contractor will maintain turfgrass and landscaping areas of City-owned Utilities sites with a high degree of quality and to assure the aesthetic appearance of City-owned Utilities sites for a period of time.

The Contractor should be familiar with the sites and location, the work to be done and local conditions affecting the cost of the work under which it must be performed and hereby proposes to furnish all labor,

materials and equipment to meet the needs of these services. Plymouth Public Works will not be responsible for any damages to the Contractor's tools or equipment. There is no parking or storage for equipment at any City facilities.

The services and occurrence may include, but are not limited to:

**A. Contract Period**

The contract period shall be for two (2) years from 2025 - 2026, commencing approximately April 15 through November 15 of each year, weather permitting. By November 1, 2026, if mutually agreed upon by the City and Contractor, the contract may be extended up to 3 one-year renewal options with the same Terms and Conditions and Scope of Services as outlined in this RFQ.

**Outdoor Maintenance Schedule**

The Contractor shall mow turfgrass, provide maintain landscape areas, and provide turf treatment as scheduled s defined by the respective contract.

1. The contract timeframe will be 32 weeks long per year.
2. Contractor shall adjust schedule to maintain weekly maintenance around holidays, events, rain days, etc. In the event that rain/wet conditions threaten to alter the weekly schedule, the Contractor must communicate the expected schedule impact to the Facilities Supervisor.

**B. Mowing Requirements**

Mowing of turfgrass areas shall be defined to include the following:

**1. Litter/Debris Collection**

- a. Without exception, litter, small limbs or branches from trees, debris shall be picked up off the ground in the area to be mowed prior to each mowing.

4. ***Sprinkler Heads***

- a. Marking of sprinkler heads is the responsibility of the Contractor.
- b. All damage and repair to irrigation is the responsibility of the Contractor.

5. ***Direction of Mowing***

- a. The direction of the mowing pattern should be altered on a regular basis to avoid worn spots.

6. ***Days/Hours to Mow***

- a. To avoid negatively impacting the experience of visitors using the facilities, mowing should be done at the earliest practical time of the day.
- b. All mowing must be performed Monday – Friday from 7:00 a.m. – 5:00 p.m. Mowing on weekends is not permissible, unless permission is given by the Facilities Supervisor.
- c. The Contractor is responsible to schedule work around holidays and events to complete the weekly work.

7. ***Clean Up***

- a. All clippings and other debris produced from mowing and Contractor's equipment clean up shall be removed from surfaces of roads, walkways, paths, picnic shelter slabs, restroom entries, landscape beds, mulched areas and similar surfaces immediately following completion of the mowing at each site.  
The Contractor shall direct clippings produced from mowing away from landscape beds and other mulched areas while mowing.

**C. Landscape Services including Shrub/Tree Trimming**

- 1. Shrub trimming will be performed, early spring after all shrubs have bloomed.
- 2. Sucker pruning to be completed by late summer.
- 3. All debris generation from the above service will be disposed of properly. Contractor may utilize the Plymouth Yard Waste Site.
- 4. All landscaped areas, as indicated on the Landscape Maintenance Maps, as well as the wood chip rings around trees are to be manually weeded or chemically treated as needed every two weeks. The intent is to keep all landscaped areas weed free.

## **Fertilization & Herbicide Applications**

**A custom Fertilizer & Herbicide program will be used during the growing season. After every application over shot fertilizer will be swept off walks and drives onto lawns or beds. Contractor will be responsible for placing required signage throughout applied areas.**

- a. A slow-release fertilizer containing nutrients in the correct proportions for the area will be applied three times per season as follows:  
First Application: June  
Second Application: Late September / Early October
- b. A pre-emergent herbicide will be applied as soon as ground conditions are permitting (late April – early May). A post-emergent will be applied in September. Any re-applications will be done at no additional costs if hindered by rainfall.
- c. Decorative rock, mulch beds, foundations, fence lines, and sidewalks will be sprayed with a non-selective herbicide twice monthly during the contracted period.

### **D. Personnel & Supervision**

1. The Contractor shall provide sufficiently qualified on-site personnel to execute the work covered by the contract. An on-site supervisor shall be present at all times with Contractor's mowing personnel.
2. All personnel shall perform the work in a safe and professional manner.
3. Contractor's personnel shall dress and conduct themselves appropriately on the job site. Shirts are to be worn at all times and must be high-visibility Class 2 or wear an ANSI/ISEA Class 2 vest.
4. Contractors must adhere to all applicable laws pertaining to hiring practices and that all personnel employed by the Contractor are legally eligible to work in the United States pursuant to federal and state law.
5. No person shall use tobacco products or electronic cigarettes on City-owned parkland, park facilities, open space or joint City/School District properties, except within the confines of a vehicle in a designated parking area.

### **E. Safety Requirements**

1. All tools and equipment used by the Contractor shall be in proper working order and shall be operated in a manner consistent with commonly accepted safety standards and all applicable local, state or federal laws.
2. Safety features on mowing equipment should not be altered.
3. Safety shields must be in place on all equipment.
4. Personnel must wear proper protection as required.
5. Mowing equipment is to be operated at safe and appropriate speeds at all times.
6. Any violation of safety standards may be deemed cause for termination of the Contract.

## **F. Equipment**

1. All equipment owned or controlled by the Contractor, while operated and/or located on City of Plymouth's properties, shall conform with all applicable laws and regulations then in effect, including but not limited to those related to occupational safety and health.
2. All mowing operations are to be performed using machines manufactured by reputable companies recognized for producing high quality commercial turfgrass equipment.
3. All blades shall be sharp and properly adjusted for height and cutting sharpness.
4. All machines will be operated by trained and qualified persons.
5. At no time, shall an operator of a piece of equipment leave the equipment unoccupied and running.
6. All mower devices shall be equipped and operated with discharge chutes at all times while on City property.
7. Trimming shall be performed with each mowing using nylon cord trimming equipment.
8. Any failure to comply with these provisions could result in immediate termination of the contract.

## **G. Contractor Non-Performance**

1. If the Facilities Supervisor mines that there are deficiencies in the performance of this agreement, the Facilities Supervisor may provide written and/or verbal notice to the Contractor stating the deficiencies.
2. The Contractor will have 48 hours to resolve the deficiencies, before corrective action is taken.
3. Should the Contractor fail to correct any deficiencies within the stated time frame, the Facilities Supervisor may exercise the following measures:
  - a. Withhold payment equivalent to the prorated annual quote sheet, if no action is taken.
  - b. Deduct from the Contractor's payment the amount necessary to correct the deficiency with City staff and resources, including City overhead.
    - 1) Mowing - \$115/hr per staff
    - 2) Trimming - \$45/hr per staff
    - 3) Landscape Maintenance - \$45/hr per staff
4. Failure to Maintain Maintenance Work Schedule
  - a. Failure on the part of the contractor to maintain the required production rate for a project area shall be sufficient reason for the Facilities Supervisor to have the work in question, or portions thereof, completed by others. If work is completed by others, any additional cost will be deducted from the contractor's monthly billing. It will remain at the Public Works Division's discretion to determine if work shall be done by another contractor. The contractor may also be assessed liquidated damages because of breach of contract as described above. Should it become necessary to penalize a contractor on more than one occasion for failure to meet specifications within the agreement, the Contractor may be released from their contractual obligation to the City.

## **H. Terms of Payment**

1. The Contractor will submit an invoice to Plymouth Public Works (Attn: Facilities) on a monthly basis for all work performed during the preceding month.
2. The invoice shall include the sites and cost per month.
3. Upon approval of required work as specified being completed, the invoice will be forwarded on to Finance for payment.
4. Invoices are due to Finance every Tuesday for processing checks on Friday.
5. A check is generally issued within 7-10 days from each Tuesday.

## City of Plymouth Outdoor Maintenance – City Utilities Responsible Quoter Evaluation

The City will review the qualifications and experience of quoters for construction, alteration, repair, or maintenance of real or personal property after quotes are opened and before a contract is awarded, to determine if the quoter is “responsible.” A “responsible” quoter is a quoter qualified to do the work. This will be determined by assessing the quoter’s skill, resources, experience, successful performance of similar contracts (on time and on budget), and all other matters bearing upon the likelihood that the contract will be successfully completed. In all cases where a quoter is unknown or where there are any questions about the qualifications of the quoter, the following information will be required of the apparent low quoter:

You are required to complete and return this questionnaire before the City Council considers awarding you the contract.

1. Identify all similar public projects in which you were the contractor. If you have had more than five such contracts, list only the last five contracts, and as to each contract identified provide the following information:

## Contractor Verification of Compliance

The undersigned, being first duly sworn, as a responding contractor on the Project, represents and swears as follows:

Now, and at all times during the duration of the Project, the undersigned complies with each of the minimum criteria in Minn. Stat. § 16C.285, Subd. 3, the Responsible Contractor Statute.

The undersigned understands that a failure to meet or verify compliance with the minimum criteria established for a “responsible contractor” as defined in Minn. Stat. § 16C.285, Subd. 3, renders a bidder ineligible to be awarded a construction contract for the Project or to perform work on the Project.

Upon request, the undersigned will submit copies of the signed verifications of compliance from all subcontractors.

The undersigned understands that a false statement under oath verifying compliance with any of the minimum criteria shall make the undersigned, or its subcontractor that makes the false statement, ineligible to be awarded a constructed project and may result in termination of a contract awarded to the undersigned or its subcontractor that submits a false statement.
