Subject: 2025 Street Rehabilitation Project, City Project ST259002
Construction Beginning Soon

Dear Property Owner,

The city awarded the contract for the 2025 Street Rehabilitation Project to Northwest Asphalt, Inc. on April 22, 2025. The project includes the streets south of 42nd Avenue, west of Zachary Lane, north of and including 36th Avenue, and east of and including Goldenrod Lane (see figure on back).

The city's construction inspector, Matt Tang, will be onsite regularly during construction and is available to answer questions. His contact information is below. More information regarding the project is available on the project webpage, plymouthmn.gov/2025StreetRehab. Construction and schedule updates will be posted on the project webpage on a weekly or bi-weekly basis once construction is underway. There is also an option to sign up for email updates. If you have any questions regarding the project, feel free to contact myself or Matt.

The city's contractor plans to begin in Mid-May. This phase of the project has multiple roads and multiple different types of work including but not limited to road, trail, and utility work.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tony Miller', is written over a horizontal line.
