~IMPORTANT~

Plymouth police officers and firefighters are able to make a total of 100 visits on "NIGHT TO UNITE". Last year we had 143 parties register.

This year, fire visits will be determined by a drawing that will be held at the July 26, 7-8 p.m. NTU Organizer meeting. Twenty neighborhoods will be drawn to receive a fire truck visit. Neighborhoods that had a visit in 2011 are not eligible for the drawing. A representative from the neighborhood must be present to win.

Police visits will be assigned based upon the order in which the registration forms were received. So register early!

You will receive a phone call to confirm that your registration has been received.
